GOVERNING BODY COMMENTS

- Council Member Lanessa Arthur:

Thank you to the city for the last 4 ½ years. Thanks everyone on the staff for all they do and continuing to push forward to make Girard a better place to call home. Thanks, the citizens for their compliments. Remember to shop local, take care of your neighbors, your pets, please take care of each other.

- Council Member Lucas Stansbury:

Eco's Lanessa, and additionally shop local/stay local. Sonic has got a new face lift for the facility. Thank you, Lanessa, for your service to our community for the last 4 years and thank you Mickey, I have enjoyed working with you over the last 8 years.

- Council Member Dennis Everett:

This is my last meeting. Things that I have seen happen over this year that I have been here. We have got 2 new police vehicles, new street signs and are still being installed and we have streamlined the time frame to which it takes to get the property condemned, so thank you to all the city for their hard work. Thank you to Mickey Pyle for seeing enough in me to appoint me to finish Bill Huston's term, it was an honor. Thank you to Johanna and all the staff of answering all my questions, has been a huge eye opener.

- Council President Darrell Westhoff:

Thank you to Mickey, Lanessa and Dennis, we appreciate everything you all have done, and for your services. We may not always agree but know that everything we do is for the betterment of the City of Girard and the citizens.

- Mayor Mickey Pyle

Thanks everyone for all they have done over the last 8 years. I have enjoyed the time spent, and probably going to get involved in something just not sure on what at this time. I appreciate everyone that I have worked with, police, fire, electric, public works, the clerks in the office and city administrator for what they have done. Continue what you are doing and thank you again to the public and city employees.
